Summer Ideas

- Research and visit colleges – [Quick Guide](#)
- Add colleges to “Colleges I’m Thinking About” list in [Naviance](#)
- Check out how to use Naviance Student to research colleges that are a good fit:
 - [Using Scattergrams](#)
- Create a system like a spreadsheet for keeping college information organized with deadlines
- Look into service learning opportunities
 - Aim for 40-50 hours of community service by graduation (This is not required to graduate from McLean, but some honor societies or diploma seals may require service hours)

 You

Review your Junior Checklist

You'll see that there's not a lot
that you have to do
RIGHT NOW!

That is because you have plenty of
time and you should be focusing
on closing out junior year.

The summer between 11th and
12th grade is a great time to
focus on parts of the
applications. This process will
be driven by YOU but you have a
ton of support!

College Application Workshop

When: August 1st & 2nd

How: Register through myschoolbucks

Fee: \$70 (If you need financial assistance, please see your counselor)

What: Students will have a chance to get started on parts of the college application and gain valuable feedback on their college essay from college admissions officers.

Deadline to Register

June 15th

Teacher Recommendation

- If you plan to apply to a 4 year college, you should have asked **one** teacher for their recommendation letter.
 - Your main letter of recommendation should be written by a teacher of a core class: English, Social Studies, Math, Science, or a World Language.
 - Ask in person.
 - Be thankful for the letter. Teachers do not get paid for writing recommendation letters, and it takes a lot of time!
 - Once you commit to a school next spring, let the teacher who wrote your letter of recommendation know where you are going. They want to hear back from you!
- 

First Generation Students

Definition: a student whose parents did not complete a four-year college degree in the U.S.

Why?: Scholarships! Many scholarship opportunities for 2 and 4 year colleges.

Colleges like to recruit first generation students to provide tailored educational and career opportunities

College Partnership Program: next meeting is June 9th @ 2:15. You can attend without being a member! If you're interested, stop by the Career Center in Student Services for a pass!
