Hot Podcast!

[We are proud to present our second and final virtual book talk on How to Raise an Adult with Julie Lythcott-Halmes.](#) In this session, we interview the author herself from her home in Palo Alto, California. Julie shares her wise words with several of McLean's educators and one of our parents. She talks about how to raise children to be independent, well-adjusted, and happy. In addition, she shares how we can take this time during the coronavirus to "reclaim our family values."

FAFSA Week!

It's FAFSA Week at NOVA! Click for registration details for [students](#) and [parents](#).

This opportunity utilizes Zoom, an online technology video and web conferencing tool that has not been approved for use in FCPS by the FCPS Department of Information Technology. Students should gain permission from their parent or guardian before engaging in any non-FCPS enrichment opportunity and families should review and agree to the Terms of Service and User Agreements for Zoom before participating.

Attention Seniors!

Don't forget to report your plans on Naviance! [Click here for directions.](#) If you do not know yet, that's fine!!! If you make a change in your reported plan, that's fine too!!! In either case, please email your counselor.

Did you know that there are over 700 colleges and universities looking for applicants? Take a look at [NACAC's College Openings Update!](#) NACAC's update is a helpful resource for counselors, parents, and teachers assisting students who have not yet found a college to attend. The update also includes information about financial aid and housing. The number of colleges reporting openings for fall 2020 is substantially larger than previous years, which likely reflects the unprecedented level of disruption in the admission process caused by the COVID-19 outbreak. Because many colleges that typically observe the May 1 national response date have extended their reply deadlines, NACAC will provide additional outreach and promotion of the update after June 1. NACAC's College Openings Update is available until July 30 and will continue to be refreshed as colleges provide additional information.

Juniors can access [Class of 2021 Rising Seniors' Next Steps](#) Google site, for resources to help them solidify, document, and celebrate their post-high school plans.

The screenshot shows the Naviance Student interface. At the top right, there is a navigation bar with the following items: "Give feedback", "39 new messages" (with a red arrow pointing to it), and "LOG OUT". Below this, the main header area contains the Naviance logo and "Student" on the left, and navigation links for "Home", "Courses New", "Colleges", "Careers", "About Me", and "My Planner" on the right. The main content area features a "Welcome, [redacted]" message, a "Search for Colleges" dropdown menu, and a search bar with the placeholder text "Type a college name" and a "SEARCH" button.

Practica para el examen de SAT

The image shows a screenshot of the Khan Academy website. At the top, there is a search bar with the word "Search" and a magnifying glass icon. To the right of the search bar is the Khan Academy logo, which consists of a green leaf-like icon and the text "Khan Academy". Further right are the links "Donate", "Login", and "Sign up". Below the navigation bar is a large banner image. On the left side of the banner, there is a collage of four diverse students: a young man writing in a notebook, a young woman smiling, a young boy using a laptop, and a young woman wearing headphones and looking at a tablet. The background of the banner features abstract shapes in purple, blue, and pink. On the right side of the banner, the text reads "For every student, every classroom. Real results." in a large, black, serif font. Below this text is a paragraph: "We're a nonprofit with the mission to provide a free, world-class education for anyone, anywhere." At the bottom of the banner, there are four blue buttons with white text: "Learners", "Teachers", "Districts", and "Parents".
