Mission Statement – Fairfax County Public School inspires and empowers students to meet high academic standards, lead healthy, ethical lives, and be responsible and innovative global citizens.

Community

FCPS is one of the largest school systems in the nation with more than 188,000 students attending 198 schools and centers. Twenty-seven percent of all students are projected to receive services for English learners (EL). 14.7 percent are projected to receive special education services.

Located in Fairfax County, Virginia, FCPS is the most populous jurisdiction in Virginia and the metropolitan Washington, D.C. area, with more than one million residents. McLean High School is located just four miles from Washington, D.C. and is home to a highly educated business and professional population.

FCPS Curriculum

The instructional program for FCPS is defined by the **Program of Studies**. This comprehensive rigorous curriculum contains benchmarks outlined in the Virginia Standards of Learning (SOL).

****Fairfax County Public Schools Do Not Assign Class Rank**

Six high school academies offer technical and specialized courses not found at all high schools. Career and Technical Education (CTE), fine arts, and world languages courses are accessed by students from all high schools. CTE courses offer numerous credentialing opportunities for students who pass industry certification exams. Approximately 9% of MHS students attend one of these academies as part of their class day.

Graduation Requirements

Requirements for graduation can be found at:

<https://www.fcps.edu/academics/graduation-requirements-and-course-planning>

FCPS has additional requirements for the standard diploma beyond those of the Virginia Board of Education. Students must earn three credits in science in three different lab areas and four credits in social studies for an FCPS standard diploma.

The web address of the **FCPS district postsecondary profile** can be found at <https://www.fcps.edu/about-fcps/postsecondary-profile>

Grading System

Grade point average (GPA) is calculated on the basis of all high school courses for which credit has previously awarded. High School courses taken in middle school may be expunged from the high school transcript. The parent must submit a request within nine weeks of his/her child entering an FCPS high School.

- A (93-100) = 4.0
- A- (90-92) = 3.7
- B+ (87-89) = 3.3
- B (83-86) = 3.0
- B- (80-82) = 2.7
- C+ (77-79) = 2.3
- C (73-76) = 2.0
- C- (70-72) = 1.7
- D+ (67-69) = 1.3
- D (64-66) = 1.0
- F (below 64) = 0.0

- P = Pass
- WP= Withdrawal Pass
- WF = Withdrawal Fail
- T = Audit (No Credit)
- NM= No Mark (No Credit)

Grading Policy Changes 2020-21

To provide increased flexibility to students and ensure they were not penalized by the challenges of distance learning, FCPS made the following changes to the high school grading policy for the 2020-21 school year only. These changes were announced in March of 2021. They included:

- Use of No Mark (NM) instead of F grades for all courses. No credit was awarded, and the course was not factored into the student's grade point average (GPA).
- Students/families could choose a mark of "P" (pass) instead of passing letter grades as their final mark in up to two current high school courses. Students had the opportunity to choose this through fourth quarter. This flexibility is in addition to the allowances for designating courses as pass/fail at the beginning of the school year. Therefore, a student's transcript may include more marks of "P" than typically seen on an FCPS transcript.

Additional information can be found on the Secondary Grading and Reporting website at <https://www.fcps.edu/academics/grading-and-reporting/secondary>.

Disclosure of Student Disciplinary Infractions

It is the student's responsibility to disclose discipline infractions. FCPS does not disclose students' disciplinary information without express written consent from the parent or guardian or eligible student.
