**MHS Mission Statement**

To create and uphold a community where all learners are challenged to reach their full potential.

**Community**

FCPS is one of the largest school divisions in the nation with more than 177,500 students attending 199 schools and centers. Over 31 percent of all FCPS students are eligible for the Federal Free and Reduced-Price Meals Program (FRM).

Located in Fairfax County, Virginia, FCPS is the most populous jurisdiction in Virginia and the metropolitan Washington, D.C. area, with more than one million residents. Over 62 percent of Fairfax County's population has a bachelor's degree. McLean High School is located just four miles from Washington, D.C. and is home to a highly educated business and professional population.

**FCPS Curriculum**

The instructional program for FCPS is defined by the **Program of Studies**. This comprehensive rigorous curriculum contains benchmarks outlined in the Virginia Standards of Learning (SOL).

**Six high school academies** offer technical and specialized courses not found at all high schools. Career and Technical Education (CTE), fine arts, and world language courses are accessed by students from all high schools. CTE courses offer numerous credentialing opportunities for students who pass industry certification exams. Approximately 9% of MHS students attend one of these academies as part of their class day.

**Graduation Requirements**

FCPS graduation requirements align to those of the Virginia Board of Education and may be found at the following link: <https://www.fcps.edu/academics/graduation-requirements-and-course-planning>

The web address of the **FCPS district postsecondary profile** can be found at: <https://www.fcps.edu/about-fcps/postsecondary-profile>

**Grading System**

Grade point average (GPA) is calculated on the basis of all high school courses for which credit has been earned, attempted, and previously awarded. High school courses taken in middle school may be expunged from the high school transcript. The parent or guardian must submit expungement requests within nine weeks of his and or her child entering a FCPS high school.

A	(93-100)	= 4.0	P:	Pass
A-	(90-92)	= 3.7	WP:	Withdrawal Pass
B+	(87-89)	= 3.3	WF:	Withdrawal Fail
B	(83-86)	= 3.0	T:	Audit (No Credit)
B-	(80-82)	= 2.7	NM:	No Mark (No Credit)
C+	(77-79)	= 2.3		
C	(73-76)	= 2.0		
C-	(70-72)	= 1.7		
D+	(67-69)	= 1.3		
D	(64-66)	= 1.0		
F	(below 64)	= 0.0		

**Grading Policy Changes 2020-2021**

To provide increased flexibility to students and ensure they were not penalized by the challenges of distance learning, FCPS made the following changes to the high school grading policy for the 2020-21 school year only. These changes were announced in March of 2021. They included:

- Use of No Mark (NM) instead of F grades for all courses. No credit was awarded, and the course was not factored into the student's grade point average (GPA).
- Students/families could choose a mark of "P" (pass) instead of passing letter grades as their final mark in up to two current high school courses. Students had the opportunity to choose this through fourth quarter. This flexibility is in addition to the allowances for designating courses as pass/fail at the beginning of the school year. Therefore, a student's transcript may include more marks of "P" than typically seen on an FCPS transcript.

Additional information can be found on the Secondary Grading and Reporting website at <https://www.fcps.edu/academics/grading-and-reporting/secondary>.

**Disclosure of Student Disciplinary Infractions**

It is the student's responsibility to disclose discipline infractions to postsecondary institutions. FCPS does not disclose students' disciplinary information without express written consent from the parent or guardian or eligible student.
